*Hot and Bothered* Dec 16 2021 He's finally met  
his match . . . P.I. Noah Sommers has always  
wanted Natalie Hastings. When a car accident  
leaves her with short-term memory loss, he  
doesn't hesitate to take her in, along with  
protecting her when he learns she's acquired a  
stalker. The hardest part of living with Natalie  
is keeping his hands off her until she can  
remember what happened. Only, he hadn't  
counted on this beautiful, sexy woman making  
his job so difficult. Natalie's world has been  
turned upside down. Her only constant is her  
gorgeous "fiancé", Noah. And she wants him . .  
. constantly. Only, all of a sudden he's acting  
noble. But not for long, because Natalie is  
planning a seduction he won't be able to resist.  
Before long, she has Noah right where she  
wants him. In her bed and her heart. But will  
happen when Natalie discovers that their  
relationship was all an act?  
*Walking Free* Feb 24 2020 Gregory sat in a  
small cell that he shared with another inmate  
and questioned, "why am I here? Lord? What did  
I do wrong to cost me the rest of my life in

prison with a walking death sentence? Please  
let me know, I am man enough to handle it, but  
I need to know where I went wrong?"The  
answer came in three simple words, "It was  
rigged!"As soon as Gregory was arrested for a  
murder and assault that his mentally ill brother  
committed, he set out on a course to prove just  
how a judicial system that he believed in could  
be so corrupt that they would concoct a story  
that would send an innocent man away for the  
rest of his life. He could not fight it alone so  
from the time he was locked up in St. Louis City  
Jail he prayed that the Lord would send  
someone who would believe in his innocence to  
help him. Little did he know his help was going  
to come from one Michigan white woman who  
fought alongside him until the governor  
commuted his sentence. His fight did not end  
there because there was still the scar on his  
name, and he had to clear his name. He entered  
a fight that would take years to unravel the  
"Gordian Knot" of corruption and the legal lies  
that surrounded his name. He never wavered in  
his faith in the Lord's leading which caused him  
to be mocked and jeered at for over twenty  
years. He discovered that through all of this,  
the Lord moves in steps and stages, and in his

heart he was able to be "Walking Free" in the Word of God.

**To Be His** Dec 28 2022 A companion novella to the RT Reviewer's Choice Nominee *His Every Need*, told from the hero's POV I didn't amass an empire without taking risks, but I'm not a complete arse. So yes, when I offered to trade Allie Campbell three months as my mistress for her family home, it was a joke. Only thing is, she wasn't laughing...and she bloody well took me up on it. Well, all right then; I could play that game. I figured I'd take her on, we'd have some fun, and in three months, she'd walk away with her family intact and I could get back to what I do best: making money. But I'd made one mistake along the way. I stupidly assumed

that after having her, I could walk away. I was wrong. I don't know how long this feeling-this consuming need-will last, but I'm not ready to let her go. Not now. Not yet. Maybe not ever. *Beauty and the Brit His Every Need To Be His: companion novella His Kind of Trouble: coming Fall 2015 His to Keep: coming: coming Spring 2016*

Created to Be His Help Meet Jul 11 2021

Created to Be His Help Meet, first published 10 years ago, has sold over 500,000 copies in 12 languages. I am amazed, reading the testimonies of woman in England, India, Saudi Arabia, China, Australia, and many other countries, as they share how their marriages have been saved and enriched through these biblical truths. Over the years I have learned from these many women, and, responding to their cries for help, have added TWO NEW CHAPTERS and other small revisions to address their needs. One of the new chapters is called, *Servant or Servitude?* There is a difference. One is godly, the other devilish. Did we fail to make that distinction clear enough the first time around? Some have indicated such. So we tackled the subject head on. May God continue to bless you as you read and obey the wonderful words of God.

His Every Need Mar 07 2021 Determined to keep her family home from foreclosure, Allie Campbell promises business tycoon Trevor Blake to be his sex slave for two months, and soon learns to enjoy Trevor's depraved acts.

*Playing with Desire* Nov 15 2021 All she wanted

was one night of sensual bliss. What she got was double the pleasure. When Summer Hughes is finally given an invitation to The Players Club, she's beyond ready to spend an evening with a gorgeous, dominant stranger. Declan Burke is pure alpha male and exactly what she's looking for, the kind of man who will tap into all her dark, forbidden desires and make them all a reality. What Summer doesn't count on is Declan's step-brother, Rick Dunne, who is equally commanding . . . and fiercely protective. Both men want her . . . but can they both have her?

**Glory** Mar 27 2020 Richard Gantz, my grandfather, showed me his writing every time I visited his home. Growing up my grandpa lived in West Virginia or Florida, and later in life, in Kentucky, where he passed in 2016. Without exception, he would sit me down, and show me what I now know to be his collection of "Psalms". I was always inspired by his creativity and devotion to the Lord Jesus Christ. Sitting at his chair, reading his Bible (which I now have by my end stand), he would often shout, "Glory!" as he would silently hear the Lord's whisper to his heart, or as he would share a nugget of truth he was learning. When grandpa went to be with the Lord, I had the opportunity to sing at and attend his funeral. While there, grandma invited me into grandpa's office and showed me what you now have in front of you in this book. On grandpa's computer were digital files of over two hundred

"Psalms of God." As I sat and poured over his words I knew I had to save his work. With grandma's permission, I uploaded them to my email account with the intent of one day passing them on to my own children. Over the years, I knew that if I published them, I would entitle the book, "Glory!" because of grandpa's common shout of praise. This book includes the first half of Richard Gantz's work as it is a good representation of his earlier writing. After "Psalm" 125, some of the files were incomplete or missing, so I decided to only publish what you now have in front of you. I will never forget the vulnerability and passion of some of his later "Psalms" and I can share them with you if you reach out to me. Dr. Rev. Richard Gantz was passionate about worshipping and beholding the Lord, Jesus Christ. I know it would be his desire to share these "Psalms" with you. Why? Because he shared them with me and so many others - and anyone who took the time to step into his world. He was a generous and joyful man, but deeper than I will ever know was his love for God. Grandpa told me, in his last years and months on earth, that he was proud of me, and that I had a gift for poetry. 400 songs and nearly 1,400 poems later, I can say that Dr. Rev. Richard Gantz was a central inspiring force in my own spiritual walk and creative work. I remember, during a very low point in my life, my grandpa kneeling by my bed with me in my home, closing the door and lifting up a cry in prayer for several minutes, on my behalf. I know his heart lives in

me, through his prayers and I know his "Psalms" live on in my own as they were a direct outpouring of his life with God in prayer, as mine are in my own work. Grandpa was a man who wrote. It is just what he did. May his words and discoveries take root and sprout forth in your own life as you read his collected works here. And may you inspire others to run hard after God as a result. All proceeds from profit of this book will be donated to the work of the Christian & Missionary Alliance around the world, as I am sure that is what Richard would want. **A Chance to Be His** Aug 24 2022 Three years ago, Lord Miles Colbourne, the Duke of Lymington, was tasked with becoming guardian to one of his best friend's wards. Already having one troublesome ward in his home, Miles hesitated to take on another. Now, he cannot imagine life without Lady Georgie, as she does a fine job managing his affairs, even if she is something of a bluestocking. However, his friend Lord Ashbrook has returned to London and seems to want his ward back. Which is something of a problem, as Miles isn't certain he wishes her to leave. In fact, he's fairly certain he wishes to keep her! Despite her initial hesitation, Lady Rebecca Georgiana "Georgie" Booth has come to enjoy living in Miles' household. Yes, he is known as "The Grumpy Lord" but he truly isn't that terrible. In fact, he can be rather charming. She has also found a home in Lymington House, one that gives her a measure of peace and safety she's

been without for so long. Now if only something could be done about Miss Alice Hastings, Miles' other ward who is with child by an unknown gentleman, her life would be just fine! When Miles' grandmother arrives in London and packs up Georgie, Alice and the entire household so that they can retire to the country, Miles is given no choice but to follow. However, it soon becomes clear that being this close to Georgie is a temptation he cannot resist. No matter how much he should! Can Miles and Georgie find a love between them that will last or will other forces keep them separated forever? Find out in *A Chance to Be His*, the twenty-seventh novel in the Tales from Seldon Park series! This 81,220-word novel is written in the modern, Regency romance style for a slightly hotter and sexier read. It may not be appropriate for younger audiences.

*A Hustler's Weakness* Nov 22 2019 Money, power, and respect seemed to make I.E. and Truth pretty much untouchable to most for years. Growing up in the streets of Newark, NJ, they made a pact at an early age to become two of the biggest and richest drug dealers around. By the age of 24, they had successfully accomplished their goal. Young, black, and paid, life was good in their eyes and they had no complaints. The ladies loved them, and the streets respected them. With his height and the chiseled body to go along with brown eyes that fit perfectly against his golden caramel skin, I.E. was gorgeous, and he knew it. Let his aunt tell it, "that baby boy was born perfect." Every

female in the hood was pretty much willing to do anything to be his girl, or at least one of them, but he prided himself on being unattached. He'd never been in love or had a woman he called his own. And he loved it. Truth loved his lifestyle just as much as IE loved his. Dark-skinned with dreadlocks, he was built solid and strong. The women flocked to Truth everywhere he went but they also knew that he was only concerned with getting money and his long-time girlfriend, Shafequah. She was his world, and everyone knew it. And there was no way he was going to replace her, ever. One night at the club changes everything when Truth and I.E. meet the breathtakingly beautiful Tina, and her equally as beautiful God-sister, Ka'mirah. It's in that meeting that everything in their world begins to change in the blink of an eye. When I.E. and Tina decide to give in to their feelings for each other, it sends both I.E. and Truth into a street war with their rival and Tina's ex, Raheem. Determined not to back down from his empire or the woman he wants in his life, I.E. is ready to defend his territory by any means necessary. Stuck in a street battle with I.E., Truth is also waging war at home when he finds himself caught up with two women he can't choose between. Whatever he eventually decides, he knows for sure that life as he knew it will never be the same.

To Be His: An Age Gap Romance Collection Jan 17 2022 Warning: this collection contains 5 sexy age gap romance short stories featuring young women and their determined alpha males! Includes Bought by My Dad's Boss, Found by My Bully's Dad, Wanted by My Best Friend's Dad, Caught by the King, and Saved by My Professor. Enjoy! Bought by My Dad's Boss My jaw drops when I see Austin Love stand up with his paddle raised high in the air. I haven't seen him for three years, and I sure as hell didn't expect to see him here. The auctioneer lets out a whistle. "Can I get 1.1 million dollars? Going once, going twice, and sold!" When

Austin stares at me with his gray eyes, I feel like shuddering. With his silky black hair, arresting eyes, and perfect bone structure, he definitely qualifies as handsome. But he's also intimidating. In high school, I felt a vague anxiety around him, like he would punish me if I did the slightest thing wrong. I remember Dad whispering to me, "That's Mr. Love. He's the CEO of my company." I'm going to lose my virginity to my dad's boss. Found by My Bully's Dad Before I leave the locker room, I let out a deep breath. It's a small mercy that Janice decided to destroy my clothes after the country club closed for the day, so at least no one is going to see me leave the club in nothing but a towel. Or so I thought. When I step out of the locker room, I see a man staring at me from across the room. And it's not just any man. It's Sam Chance. Aka my bully's dad. He lifts his eyebrows. "Chuhua?" At the sound of his deep voice, I run back into the locker room. Wanted by My Best Friend's Dad I narrow my eyes at him, attempting to ignore the butterflies popping up in my stomach. Ever since I was a teenager, I've had a crush on Mr. Dean. He's gorgeous with his perfectly styled chestnut hair, five o'clock shadow on his defined jawline, and mesmerizing dark eyes. I've had countless dreams featuring him. Which makes it so awkward that he's my best friend's dad. He glowers at me. What did I do? Surprising me, he growls, "That outfit is too goddamn short." I flush, instinctively pulling at the hem of my skirt. My French maid outfit is more revealing

than what I normally wear. Caught by the King Sounding amused, the king asks, "Were you attempting to steal one of my jeweled eggs?" I wince. Instead of directly answering his question, I repeat, "Please have mercy on a pitiful subject like me, your majesty!" Maybe if I suck up hard enough, I'll end up going to prison for only three years. "Stand up," he says. Because he's the freaking king, I have no choice but to obey. My legs tremble as I lift myself off the floor. He raises his hand, and I flinch, expecting a slap. However, he only strokes my cheek, his gentle touch belying his powerful muscular body. "You are a lovely thing," he murmurs. A rakishly handsome smirk breaks out across his face. "Much too lovely for prison." Saved by My Professor Crap, I just hugged Peter Burke. Aka Dr. Burke. Aka my Chemistry professor.

**The Fourth Industrial Revolution** Nov 03 2020 World-renowned economist Klaus Schwab, Founder and Executive Chairman of the World Economic Forum, explains that we have an opportunity to shape the fourth industrial revolution, which will fundamentally alter how we live and work. Schwab argues that this revolution is different in scale, scope and complexity from any that have come before. Characterized by a range of new technologies that are fusing the physical, digital and biological worlds, the developments are affecting all disciplines, economies, industries and governments, and even challenging ideas about what it means to be human. Artificial

intelligence is already all around us, from supercomputers, drones and virtual assistants to 3D printing, DNA sequencing, smart thermostats, wearable sensors and microchips smaller than a grain of sand. But this is just the beginning: nanomaterials 200 times stronger than steel and a million times thinner than a strand of hair and the first transplant of a 3D printed liver are already in development. Imagine "smart factories" in which global systems of manufacturing are coordinated virtually, or implantable mobile phones made of biosynthetic materials. The fourth industrial revolution, says Schwab, is more significant, and its ramifications more profound, than in any prior period of human history. He outlines the key technologies driving this revolution and discusses the major impacts expected on government, business, civil society and individuals. Schwab also offers bold ideas on how to harness these changes and shape a better future—one in which technology empowers people rather than replaces them; progress serves society rather than disrupts it; and in which innovators respect moral and ethical boundaries rather than cross them. We all have the opportunity to contribute to developing new frameworks that advance progress.

Sample Book Insights: #1 You were created to fill a man's need for a helper, and in that

capacity you are a good thing suited to his needs. You are inferior to none as long as you function within your natural nature, for no man can do your job. #2 When you are a help meet to your husband, you are a helper to Christ. When you honor your husband, you honor God. When you obey your husband, you obey God. #3 God's original plan was that Adam and Eve be husband and wife, but Eve was created to be a help meet to Adam. As you read this, it may seem like blasphemy, but your husband deserves you as his help meet. #4 Men are created to be helpers of God. Society is structured so that men and women must submit

to authorities like government, employers, police, and the courts. There is no loss of dignity in subordination when it serves a higher purpose.
