Journal for the Evangelical Study of the Old Testament (JESOT) is a peer-reviewed journal devoted to the academic and evangelical study of the Old Testament. The journal seeks to fill a need in academia by providing a venue for high-level scholarship on the Old Testament from an evangelical standpoint. The journal is not affiliated with any particular academic institution, and with an international editorial board, open access format, and multi-language submissions, JESOT cultivates and promotes Old Testament scholarship in the evangelical global community. The journal differs from many evangelical journals in that it seeks to publish current academic research in the areas of ancient Near Eastern backgrounds, Dead Sea Scrolls, Rabbinics, Linguistics, Septuagint, Research Methodology, Literary Analysis, Exegesis, Text Criticism, and Theology as they pertain only to the Old Testament. JESOT also includes up-to-date book reviews on various academic studies of the Old Testament. Not just an epic videogame from BioWare and LucasArts, Star Wars: The Old Republic™ spawned a New York Times bestselling series of novels—which are now together in one electrifying ebook bundle. Fatal Alliance, Deceived, Revan, and Annihilation tell four daringly original stories of Jedi and Sith that embody this unique, beloved era in Star Wars Legends storytelling. . . . FATAL ALLIANCE by Sean Williams From across the galaxy they've come: a Jedi Padawan, an ex-trooper drummed out of the Republic's elite Blackstar Squad, and a mysterious Mandalorian. An extraordinary auction has drawn them all together, in quest of a prize whose value may be the wealth of a world itself. None intend to leave empty-handed. All have secrets, desires, and schemes. And nothing could ever unite them as allies—except the truth about the deadly danger of the object they covet. But can Sith and Jedi, Republic and Empire, join as one against the certain doom of the galaxy? DECEIVED by Paul S. Kemp A Sith warrior to rival the most sinister of the Order's Dark Lords, Darth Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace will transform him into something far more heinous—something Malgus would never want to be but cannot stop becoming, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Jedi Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. REVAN by Drew Karpyshyn Hero, traitor, conqueror, villain, savior—Revan has been all of these. He left Coruscant a Jedi, on a mission to defeat the Mandalorians. He returned a Sith disciple, bent on destroying the Republic. The Jedi Council gave Revan his life back, but the price of redemption was the loss of his memories. All that's left are nightmares—and deep, abiding fear. One thing he's certain of: Something very dark is plotting against the Republic. With no idea how to identify the threat, let alone stop it, Revan may be doomed to fail. But only death can stop him from trying. ANNIHILATION by Drew Karpyshyn After his triumphant destruction of a Sith superweapon arsenal, covert agent Theron Shan is recruited for an even more dangerous mission. A power struggle has the Empire in flux, but Darth Karrid remains bent on total domination, using a fearsome Imperial cruiser in her reign of terror. Now, joined by a hotheaded smuggler and Karrid's former Jedi Master, Theron must match wits and weapons with a crew of the most cold-blooded dark side disciples. And if they don't seize their one chance to succeed, they will have countless opportunities to die. Collecting Star Wars: Knights Of The Old Republic #38-50, Star Wars: Knights Of The Old Republic — War #1-5 And Material From Star Wars Tales #24. A new direction for fugitive Jedi Zayne Carrick! With his allies by his side — his best friend Gryph, the mysterious Jrael and the former Mandalorian warrior Rohlan — Zayne sets forth on seat-of-his-pants adventures filled with ghost ships, renegade droids and high-speed racers! A death-defying shootout on the face of a comet leads straight into the heart of one of the galaxy's cruelest organizations: the slave-trading Crucible! Zayne risks his life — and maybe his sanity — to help Jrael face her dark past, but the consequences could be deadly for his crew! And as Zayne's saga draws to a close, he'll face what may be his most dangerous enemy yet: the demonic Demagol! Recreate and analyze some of the wildest murder trials on the American frontier. For contents, see Author Catalog. Book and CD-ROM. The 'Chronology of the Old Testament' has one goal to accomplish: to demonstrate that every chronological statement contained in the Sacred Writ is consistent with all other chronological statements contained therein. The author carefully and thoroughly investigates the chronological and mathematical facts of the Old Testament, proving them to be accurate and reliable. This biblically sound, scholarly, and easy-to-understand book will enlighten and astound its readers with solutions and alternatives to many questions Bible scholars have had over the centuries. Were there 66, 70, or 75 'souls' in Egypt when Jacob arrived? Were the Hebrews in Egypt for 430 years, or a shorter length of time? How long did Jacob have to wait before marrying the first of Laban's daughters, and how long did he wait for the second? What year was Christ born? With reliable explanatory text, charts, and diagrams, this book provides a systematic framework of the chronology of the Bible from Genesis through the life of Christ. Wall-sized chronological charts included on CD-ROM. You have probably been accustomed to regard the war between England and her colonies in America as one in which we were not only beaten but, to some extent, humiliated. Owing to the war having been an unsuccessful one for our arms, British writers have avoided the subject, and it has been left for American historians to describe. These, writing for their own countrymen, and drawing for their facts upon gazettes, letters, and other documents emanating from one side only, have, naturally, and no doubt insensibly, given a very strong color to their own views of

the events, and English writers have been too much inclined to accept their account implicitly. There is, however, another and very different side to the story, and this I have endeavored to show you. The whole of the facts and details connected with the war can be relied upon as accurate. They are drawn from the valuable account of the struggle written by Major Steadman, who served under Howe, Clinton, and Cornwallis, and from other authentic contemporary sources. You will see that, although unsuccessful,—and success was, under the circumstances, a sheer impossibility,—the British troops fought with a bravery which was never exceeded, and that their victories in actual conflict vastly outnumbered their defeats. Indeed, it may be doubted whether in any war in which this country has been engaged have our soldiers exhibited the qualities of endurance and courage to a higher degree. Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible. T. S. Eliot's playful cat poems were originally composed for his godchildren, with Eliot posing as Old Possum himself, and later inspired the legendary musical "Cats." Now with vibrant illustrations by the award-winning Axel Scheffler. Although many Catholics are familiar with the four Gospels and other writings of the New Testament, for most, reading the Old Testament is like walking into a foreign land. Who wrote these forty-six books? When were they written? Why were they written? What are we to make of their laws, stories, histories, and prophecies? Should the Old Testament be read by itself or in light of the New Testament? John Bergsma and Brant Pitre offer readable in-depth answers to these questions as they introduce each book of the Old Testament. They not only examine the literature from a historical and cultural perspective but also interpret it theologically, drawing on the New Testament and the faith of the Catholic Church. Unique among introductions, this volume places the Old Testament in its liturgical context, showing how its passages are employed in the current Lectionary used at Mass. Accessible to nonexperts, this thorough and up-to-date introduction to the Old Testament can serve as an idea textbook for biblical studies. Its unique approach, along with its maps, illustrations, and other reference materials, makes it a valuable resource for seminarians, priests, Scripture scholars, theologians, and catechists, as well as anyone seeking a deeper understanding of the Bible. Can the gospel literally be found in every book of the Hebrew Scriptures? Joseph Farah says it can and systemically, book by book, reveals the clear redemptive passages found in all 39 books of the Old Testament. "It's there in all the books," says Farah. "The secret to finding the gospel is understanding, not just the gospel of personal salvation, but what Jesus called 'the gospel of the kingdom.'" Farah believes much of the church today has forgotten or overlooked the full meaning of "the gospel of the kingdom," which he suggests is the "scarlet thread" that ties the restorative messages of the Old Testament with the New. Farah, a lifelong journalist, applied the skills he developed as an investigative reporter to do what Bible scholars had not previously done--systematically explore all 39 books of the Old Testament for the good news fully revealed in the Greek Scriptures. The book you now hold is the product of that research. He wrote this book with three goals in mind: - to stimulate renewed interest in and appreciation for the Hebrew Scriptures among Christians - to affirm the continuity of the entire Bible by revealing the sometimes-hidden redemptive messages throughout every book in the Old Testament - to help believers rediscover what Jesus preached--"the gospel of the kingdom." It is this key that unlocks the secrets of finding the gospel where it has not been previously found An award-winning author and veteran mountain climber takes us deep into the Southwest backcountry to uncover secrets of its ancient inhabitants. In this thrilling story of intellectual and archaeological discovery, David Roberts recounts his last twenty years of far-flung exploits in search of spectacular prehistoric ruins and rock art panels known to very few modern travelers. His adventures range across Utah, Arizona, New Mexico, and southwestern Colorado, and illuminate the mysteries of the Ancestral Puebloans and their contemporary neighbors the Mogollon and Fremont, as well as of the more recent Navajo and Comanche. Santiago, an old Cuban fisherman, has gone 84 days without catching a fish. Confident that his bad luck is at an end, he sets off alone, far into the Gulf Stream, to fish. Santiago's faith is rewarded, and he quickly hooks a marlin...a marlin so big he is unable to pull it in and finds himself being pulled by the giant fish for two days and two nights. HarperPerennialClassics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library. Children should not just read the Bible, but experience it. In The Story of the Bible young readers will discover not only the sanctity and wisdom, but the excitement of the stories and events that shaped human history and brought about our salvation. Unlike anything else in the market, this series uses the "schoolhouse model" approach where children of all ages can engage with the content. From the great traditional content of the Text Books, to the challenging Test Books, to the fun Activity Books, to the unmatched media companion pieces, this product line has it all! Volume I, The Old Testament, begins the journey. In these pages children will: • Visit the Garden of Eden • Board Noah's ark • Climb the Tower of Babel • Follow Moses through the Red Sea • Listen to David's harp • Witness Samson's strength • Enter the lion's den with Daniel • Learn God's plan from the prophets Each account is told in story form to engage readers, with each narrative supplemented with actual Bible quotes. A closing summary provides context for each story and reveals a lesson for daily life. Help the children in your life come to know and love the Bible through this groundbreaking series, The Story of the Bible. Their encounter with Scripture will never be the same. The Text Book, Test Book, and Video Lecture Series are targeted to middle school students, while the Activity Book and accompanying Teacher's Manual are for elementary aged students. The Audio Drama can be enjoyed by children of all ages. "The Old World, the New World, and the Creation of the Modern World, 1400–1650: An Interpretive History" provides a unique look at the early years of European discovery and colonization, examining the impact of this period on the historical development of both the New and Old Worlds. The text is enhanced by the incorporation of a wide variety of original source material, allowing readers to benefit from a more first-hand experience of the historical events of the period. Providing the essential facts in conjunction with expert analysis, the volume poses a number of important questions to enable readers to construct their own analysis of the evidence presented. Uniquely, the volume goes beyond the standard textbook formula of "what, when and where" to delve more deeply into the specific (as well as the wider) significance of historical developments, thereby providing the platform for a textured, interpretive understanding of the history of the Atlantic world. We tend to look to the New Testament to tell us about Jesus, yet it was the Old Testament about which Jesus said, "the Scriptures point to me!" In The One Year Book of Discovering Jesus in the Old Testament, Bible teacher Nancy Guthrie takes readers from Genesis through Malachi, shining the light of Christ on the promise of a descendent who will put an end to the curse of sin; the story of a father who offers up his son as a sacrifice; the symbol of a temple where people can meet with God; the prophecy of a servant who will suffer; the person of a king who will rule with righteousness—and so much more. Day by day throughout the year, readers will see the beauty of Christ in fresh new ways, creating a deeper understanding and appreciation for who Jesus is and what he accomplished through his Cross and Resurrection. With two cases in tow, the Hardy boys look to Turner mill for clues. Determined to learn the secret of the old mill, Frank and Joe employ a clever ruse to gain entrance, only to find themselves trapped. How the young detectives extricate themselves from this dangerous situation and unravel mysteries will keep readers tense with suspense! The Hebrew Old Testament, which contains some of the world's most ancient religious texts, was written and repeatedly re-edited over the course of several centuries from about 1000 BCE. It reached its final form at the hands of editors who were monotheists. They believed that their god Yahweh was the only true God, and that he had been worshipped exclusively by their ancestors from the time of Abraham. They edited their sources to reflect this belief. However, we can strip away this veneer of later monotheism to view the ancient stories themselves. These bear witness to Israelite religion as practised before 600 BCE. Far from being monotheistic, this religion was a fascinating polytheistic paganism, close to the religion of the surrounding Canaanites. In this religion, Yahweh, far from being God as understood by modern western monotheism, was a distinctive tribal deity. This book will be of particular interest to the large numbers of western people who come from a broadly Christian or Jewish background but have left those faiths behind to explore paganism or New Age spirituality. A New York Times Bestseller! In Finding Jesus in the Old Testament, David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty-nine

Old Testament books. The key to the secrets of the Old Testament, Limbaugh argues, is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus. With that key, and with Limbaugh as a deft guide, readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival. Limbaugh takes readers on a revealing journey from Genesis through Malachi, demonstrating that a consistent message courses through every one of the Old Testament's thirty-nine books: the power, wonder, and everlasting love of Jesus Christ. Previously published under the title The Emmaus Code. The groundbreaking Dictionary for Theological Interpretation of the Bible (DTIB) introduced readers to key names, theories, and concepts in the field of biblical interpretation. It has been well received by pastors and students, won book awards from Christianity Today and the Catholic Press Association, and was named the ECPA 2006 Christian Book of the Year. Theological Interpretation of the Old Testament features key articles from DTIB, providing readers with a book-by-book theological reading of the Old Testament. The articles are authored by leading scholars, including Daniel I. Block, Tremper Longman III, J. Gordon McConville, Walter Moberly, Richard Schultz, and Gordon J. Wenham. This handy and affordable text will work particularly well for students in Old Testament/Bible survey courses, pastors, and lay readers. In this classic work which analyzes the context in which thirty years of war and revolution wracked the European continent, the great historian Arno Mayer emphasizes the backwardness of the European economies and their political subjugation by aristocratic elites and their allies. Mayer turns upside down the vision of societies marked by modernization and forward-thrusting bourgeois and popular social classes, thereby transforming our understanding of the traumatic crises of the early twentieth century. DigiCat Publishing presents to you this special edition of "Tomahawk, Fighting Horse of the Old West" by Thomas C. Hinkle. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. This book combines a careful study of the subject matter and the literary form of each of the historical books of the Old Testament and at the same time explains why this literature should be of great interest to Christian and Jewish believers today. The study is text based, carefully examining the wording of selected pericopes and following up with reflections on the theological significance of the texts. Its focus is twofold. First, it is a study of the history of Israel through a critical examination of the biblical sources attempting to see the events through the eyes of the authors/editors and to understand the religious and national filters through which they saw those events. Secondly, it is also a study of the faith of Israel expressed in these writings in an attempt to reflect on the major patterns and themes expressed and presupposed in the narratives. Special attention is given to the stories of the prophets in these books. This book examines the biblical books in four groups: 1) the Deuteronomist history extending from Joshua to 2 Kings, 2) the Chroniclers, or priestly history extending from 1 Chronicles to Nehemiah, 3) the Maccabean story looking at 1 and 2 Maccabees from the Greek Bible, and 4) the midrashic accounts including Ruth, Esther, Judith, Esther, and Tobit. Numerous maps and diagrams assist the reader to follow the geographical references in the texts as well as complicated family lines and sequences of kings. An index assists in finding specific names and events. The acclaimed Dictionary of Scripture and Ethics (DSE), written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation, offered needed orientation and perspective on the vital relationship between Scripture and ethics. This book-by-book survey of the Old Testament features key articles from the DSE, bringing together a stellar list of contributors to introduce students to the use of the Old Testament for moral formation. It will serve as an excellent supplementary text. The stellar list of contributors includes Bruce Birch, Mark Boda, William Brown, Stephen Chapman, Daniel Harrington, and Dennis Olson. Western Words has 5,000 words of cowboy language as vibrant now as it was in the old American frontier. "Within the cowman's figures of speech lie the rich field of his subtle humor and strength-unique, original, full-flavored. With his usually limited education he squeezes the juice from language, molds it to suit his needs, and is a genius at making a verb out of anything. He 'don't have to fish 'round for no decorated language to make his meanin' clear, ' and has little patience with the man who 'spouts words that run eight to the pound.' Perhaps the strength and originality in his speech are due to the solitude, the nearness of the stars, the bigness of the country, and the far horizons-all of which give him a chance to think clearly and go into the depths of his own mind. Wide spaces 'don't breed chatterboxes.' On his long and lonely rides, he is not forced to listen to the scandal and idle gossip that dwarf a man's mind. Quite frequently he has no one to talk to but a horse..." -from the author's Introduction Walter Moberly is a top Old Testament theologian known for his creative, accessible, and provocative writing. His Old Testament Theology has been well received. This book, written in a similar vein, combines biblical criticism with constructive theology and engages both Jewish and Christian interpretations. Moberly offers robust readings of eight pivotal Old Testament passages that unpack the nature of God in Christian Scripture, demonstrating a Christian approach to reading the Old Testament that holds together the priorities of both scholarship and faith. Editors Bill T. Arnold and Hugh G. M. Williamson present more than 160 in-depth articles on the essential historical, literary, theological, interpretive and background topics for studying the historical books of the Old Testament (Joshua, Judges, 1-2 Samuel, 1-2 Kings, 1-2 Chronicles, Ezra, Nehemiah). Patience Cavanaugh has lost hope in romance. The man she yearned to marry is dead and her dreams are gone with him. Now she is consumed with the restoration of a dilapidated boarding house in order to support herself. Despite her desire for solitude, Jedediah Jones, the local sheriff with a reputation for hanging criminals, becomes an ever-looming part of her life. It seems like such a simple arrangement: Patience needs someone with a strong back to help her fix up the boardinghouse, and Jedediah needs a dependable source of food for himself and his prisoners. But Patience gets more than she bargained for as she explores the depths of the "hanging lawman"--and finds both betrayal and love. With a keen eye to historical detail and a deft hand at romantic tension, Maggie Brendan invites readers to a Montana gold rush boomtown, where vices and virtues are on full display and love is lying in wait. Old Testament Use of Old Testament contains in one clearly arranged volume every scriptural allusion in the Old Testament, along with a hermeneutical profile of each Old Testament book's overall use of Scripture. A one-of-a-kind resource, it provides an invaluable beginning place for intertextual study of the Old Testament. The Chronology of the Old Testament has one goal to accomplish: to demonstrate "that every chronological statement contained in the Sacred Writ is consistent with all other chronological statements contained therein." Author Floyd Nolen Jones carefully and thoroughly investigates that chronological and mathematical facts of the Old Testament, proving them to be accurate and reliable. This biblically sound, scholarly, and easy-to-understand book will enlighten and astound its readers with solutions and alternatives to many questions Bible scholars have had over the centuries. Features: Scriptural solutions to many biblical mathematical controversies Sir Robert Anderson's calculation error corrected The 483-year prophecy of Daniel 9:25 explained A scriptural formula which biblically synchronizes the kingdoms of Judah and Israel 48 charts, graphs, and diagrams included in text Fully indexed with complete bibliography Supports and updates James Ussher's Annals of the World With reliable explanatory text, detailed charts, and diagrams, this book provides a systematic framework of the chronology of the Bible from Genesis through the life of Christ. No Bible scholar should be without this indispensable reference tool. This is a charming account of postwar book buying abroad by the "Holmes and Watson" of antiquarian books. After the war, Americans went abroad for European culture, food and art, but Rostenberg and Stern, the Grand Dames of the antiquarian bookselling world, went to Europe to buy old books. Old Books in the Old World glows with the details of their book-buying trips abroad between 1947 and 1957. Filled with tales of steamships, cobblestone streets and dusty rare bookshops, this illustrated journal draws from original diaries and letters and contemporary recollections. Full of history and bookish tales, this personal insight into postwar Europe and the antiquarian book-selling scene will be of interest both to the seasoned bibliophile and to the casual reader. Detailed historical and archaeological essays give insight into the many people groups who interacted with and influenced ancient Israel.
